Life is too short for a mediocre vacation.

That's why Journey Bound was born. To makes sure you have a seamless, unforgettable travel experience.

Our founder, Jordan Brady has served as a Travel Advisor and Concierge for 100's of luxury vacations and offers travel advice on media outlets such as NBC 10 Boston and The Washington Post.

Travel planning with an engineer's attention to detail - Jordan went from designing nuclear submarines and medical devices to designing the perfect trip. Every detail is handled with care before you travel, and nothing is left to chance.

Itinerary that's 100% Tailored for You - Mass market is not in our vocabulary. Every trip is customized and we tap into our exclusive connections and global knowledge to guarantee the most unique, exceptional travel experiences possible to our clients.
